

MASTER OF SCIENCE IN GLOBAL MANAGEMENT

Double Degree Option

D'Amore-McKim School of Business
Northeastern University, Boston, U.S.A.
&
NEOMA Business School - Reims, France

The M.Sc. in Global Management is a flexible programme offering a Master of Science as a Single degree, a Double Degree and a Two-Year MSc option. The MSc in Global Management will provide you with a range of fundamental managerial skills to make you fit for an international career at the managerial position. Placing a strong emphasis on leadership and ethics competencies, you will dive into various immersion experiences and cases (field study trip, conference in Brussels...) and the opportunity to complete a professional experience.

CAREERS IN INTERNATIONAL ENVIRONMENTS

Career paths span all sectors (consulting, banking, services) and departments (sales, logistics, marketing, finance, etc.). A few of the possible positions the graduates can aspire to:
International Sales Manager, International Development Manager, Financial Analyst, Product Manager, Communication and Media Relations Manager...

5 good reasons to choose THE MSc IN GLOBAL MANAGEMENT

- › **Earn a single or double degree** in international business and management and join two worldwide, powerful alumni networks
- › **Build a comprehensive, professional experience** by studying in two countries, immersed in multicultural environments
- › **Master the key functions of a company** - strategy, finance, marketing - and benefit from the expertise of two institutions breaking ground in innovation, entrepreneurship and leadership
- › **Benefit from the guidance and support** of two leading business schools
- › **Boost your employment opportunities** across France, the European Union and the USA. Possibility to become eligible for an F-1 visa sponsorship (US) or visa APS (EU) after graduation to seek professional experience

Marina BASTOUNIS,
Head of the MSc
in Global Management

“Prepare to face the global forces that drive business with an entrepreneur mindset”
